Payment: All payment is due at time of service. As a patient of this office you are directly responsible for payment of all charges incurred while under treatment unless you are eligible for insurance reimbursement with an insurance carrier the Provider has contracted with. Payments are due when services are rendered or supplies are received. If the Provider is contracted with your Insurance Carrier, all deductibles, co-pays, co-insurances, and previous balances that are the patient's responsibility are due at the time of service. Accepted methods of payments are personal check and cash.

Insurance: If the Provider is contracted with your Insurance Carrier we will bill your insurance directly. We will make every effort to determine benefits and eligibility prior to treatment. What we are told by your Insurance Carrier will govern how we determine your liability. We are not responsible for payment discrepancies that might occur once the reimbursement check is received. It is the patient's responsibility to keep track of their deductible, maximum benefit, or other liabilities specific to their plan's coverage.

**Cancellations and No-Show Fees:**

Please give us at least 24 hours advance notice of your inability to keep an appointment. If less than 24 hours' notice is received or in the case of patient's "No-Show," $60.00 of No-Show fee will be charged directly to the patient to be paid before any further appointments will be scheduled. Therefore, if you must cancel less than 24 hours before your appointment feel free to discuss the nature of your cancellation with your Provider.
